**GLOBALIZE**

*Bringing global opportunities to your door-step since 2005.*

---

Brazil, the 3rd largest fruit producer globally, and the 6th largest exporter as it has the biodiversity and infrastructure.

In addition, Brazil has a distinctive system of SUSTAINABLE FRUITICULTURE that produces more fruits in a much smaller area than any other exporting country.

Brazil's production has the industry's highest standards by always respecting the native preserved lands of this great country and valuing its people.

GLOBALIZE is an international trading company comprised of a young, dynamic, dashing team that continually strives to offer what's prevailing in the market, acting in a dedicated, responsible, and integral fashion at all times.

Since 2005, specializing in the import/export industry, GLOBALIZE has built a strong partnership with experient Brazilian producers of welcomed fruits in the international market.

Our products are carefully handpicked from producer's packing houses and delivered on-demand to our clients within the highest quality, competitive value, and service standards.
